The Rotary Club of Thousand Oaks distributed over \$100,000 in funds to local nonprofit organizations over the last two weeks, which more than doubled the contributions of last year when events were curtailed by the pandemic.

The increase in funds is due to the community’s support, especially at the club’s chili cook-off.

The nonprofit organizations were invited to send a representative to the club’s weekly luncheon meeting to receive the contribution.

The organizations attending the first week were Community Conscience, Conejo Valley Historical Society, Cancer Support Community, Villa Esperanza, Westminster Free Clinic,

Boy Scouts, United Way Ventura County, Ruben Castro Food Distribution, Children's Services, Conejo Valley Little League, Arts Council, Safe Passage, Thousand Oaks Police Department and TOArts.

Nonprofits attending the second week were Conejo Community Outreach, Conejo Free Clinic, Forever Found, Gold Coast Veterans Foundation, Habitat for Humanity/Ventura, Harbor House, Hospice of the Conejo, Manna, Many Mansions, Mary Health of the Sick, New West Symphony and Southeast Ventura County YMCA.

Other recipients were unable to attend.

Rotary clubs give 100% of funds raised to charities and humanitarian projects.

Rotary Club of T.O. meets at noon every Thursday at Los Robles Greens in Thousand Oaks.
