

Dear Friends and Supporters,

As 2024 comes to a close, we are filled with gratitude for the incredible achievements we've made together this year. Thanks to the unwavering support of our donors, volunteers, and partners, we're ending the year on a high note.

We hope you enjoy reading our brief winter update and celebrating the impact you've helped create.

Thank you for being an essential part of our mission!

PATIENT DEMOGRAPHICS

ADOPT A FAMILY 2024

Our 2024 Adopt-a-Family event was a resounding success! Thanks to your generosity, we supported **65** families with clothes, toys, food, and household essentials—making a meaningful impact in their lives. A heartfelt thank you to our incredible donors, volunteers, and community partners who went above and beyond by adopting multiple families and organizing collections among their friends, neighborhoods, and organizations. Together, we made a difference!

TOY DISTRIBUTION EVENTS

Over **1,400** low-income children from across Ventura County received toys for the holidays this December 2024. We are thankful to all those who made our toy distribution events possible and put a smile on the faces of so many children who received bikes, dolls, board games, books, stuffed animals, educational toys, and so much more! On their behalf, we thank you!

PARTNERING TO BRING CARE TO THE COMMUNITY

A big shoutout to all our partners who made our holiday events possible including the Los Robles Hospital, United Methodist Church of Thousand Oaks Women of Faith, St. Paul's United Methodist Church, See International, Lions Club, Salvation Army, Rotary Club, Colgate Bright Smiles Bright Futures, Love Button, Bank of America team, SERVE Service Group, Spark of Love, The GOOD Club, Bookworm Projekt, The Aerin LeDuc- Gummesson Foundation, and many others who made it possible to provide supports for our families this holiday season!

TEEN PROGRAM UPDATE

On December 13, **74** youth from our Thousand Oaks and Oxnard sites came together for *WFC's Annual Alumni Panel*. During the event, **6** program alumni--now college students, nurses, engineers, computer scientists, and other healthcare professionals--shared how WFC's Teen Program transformed their lives. They offered insights on what they wish they had known in high school, tips for success, and advice for achieving dreams and career goals. Teens also had a gift exchange to celebrate the season.

THERE IS STILL TIME TO HELP!

There is still time to help! As the end of the year approaches, please consider making a donation to **Westminster Free Clinic!**

Every dollar donated will be matched by a generous donor dollar for dollar up to \$25,000!

Your donations help thousands of families and children experiencing hardship in our community and prepare teens for college or for advanced healthcare training programs.

Any amount will help! We appreciate your support!
